

Town of Perry Third Party Request Policy

The Town of Perry's Annual Town meeting usually takes place in mid to late August. And the budget for the next budget cycle is typically wrapped by early July.

All agencies or organizations seeking financial support from the taxpayers of the Town of Perry, must do the following:

1. Take out papers from the Town Clerk to circulate. Those papers will be available June 1st (or next business day) and must be returned and certified by the Clerk by July 1st (or next business day).
2. When taking out the papers, you must provide the Town Clerk the dollar amount you are requesting. The Clerk will enter the amount requested at the top of the form to ensure all signers fully understand the request. We will also note the amount of last year's allocation, if any.
3. The number of required signatures is based upon the amount of the request. A minimum of 25 signatures is required. Any request over \$2,500 must collect a minimum of 50 signatures.
4. Upon return of the completed signature form, each request must include a letter explaining the use of the funds and the impact on the people served within the Town of Perry.

Our goal is to limit debate at Town Meeting and know that each Third Party Request has the support of Perry voters.

Thank you.

**THIRD PARTY REQUEST
Support Form**

Name of Third Party: _____
